1996 Wanderer Keel Award

Local Residents Honored for their Contributions

By Dionne F. Richmond

This week *The Wanderer* is pleased to announce the recipients of their third annual "Wanderer Keel Awards."

The yearly honor — which is presented to one resident from Mattapoisett, one from Rochester and one resident from Marion — is meant to applaud those who are rarely recognized for their countless hours of service and focus on the many people "behind the scenes" who remain otherwise anonymous but provide crucial support to many town functions.

The requirements are simple. Nominees must be legal residents of Mattapoisett, Marion and Rochester (at least five years), and must have contributed in some way to the overall benefit of the community — either directly to town residents, or indirectly through their efforts in promoting town activities, or working to keep the wheels of local government well-oiled. The only restriction is that these persons cannot personally benefit from their efforts in any way — either financially or politically.

Likewise, staff members of *The Wanderer* and employees of Wanderer Communications are not eligible for consideration.

Like that portion of a ship which keeps the vessel from capsizing, the recipients of the Annual Wanderer Keel Award are recognized here for their stalwart efforts in keeping the local community on "even keel."

After soliciting nominations from both communities for the past two weeks, the following three people were selected from among our batch of well-deserving nominees to earn the singular honor of being presented with the third annual Wanderer Keel Award for 1996.

• 1996 MATTAPOISETT KEEL AWARD -- Norma Holt, Mechanic Street.

For a quarter of a century, Ms. Norma Holt has volunteered countless hours of her time to helping those who can't drive themselves to the doctor's office. Many older people are unable to drive and find themselves in a desperate situation, wondering how they will manage.

FISH was originated 25 years ago to help relieve that problem. Ms. Holt coordinates the lists of those in need with the volunteers' availability and sees that things are running smoothly.

"It's very rewarding. The people we are able to help appreciate it so much," she said. Ms. Holt is described as a "warm and gracious person," who is the ultimate troubleshooter when scheduling for a doctors' appointments.

Her other contributions extend to the Power Squadron, where she is treasurer, the Mattapoisett Woman's Club (past president) and the Nursing Home Committee, where she serves refreshments. She is also a member of the Mattapoisett Congregational Church, who volunteers with a group who serves refreshments after funerals. She said she herself has benefited from that group.

• 1996 MARION KEEL AWARD -- Annie Giberti, Converse Road.

After collecting soup labels for her triplet granddaughters for four years, Ms. Annie Giberti asked Sippican School if she could collect labels for them. They of course accepted her offer and have benefited ever since. "I thought whoopy, here's my chance," she said. Thirteen years and 29,000 labels later, she is still diligently collecting them. "I asked seniors in Marion if I could announce it," she explained.

"Ms. Giberti is an 85-year-old widow who has for years made it her goal to help the students of Sippican School by saving Campbell Soup labels,"

On The Cover: *Seniors recently celebrated the grand opening of the new Senior Center at the Knights of Columbus in Mattapoisett. Chairman John DeCosta and Selectman Michele Bernier were on hand for the ribbon cutting, making the opening official.*

said Ms. Diane Duebber from the Marion Council on Aging in nominating her.

"Through her efforts she has collected more than 29,000 labels. She urges everyone she meets to save labels for her, and advertises with posters and newsletter notices," wrote Ms. Duebber.

The labels enable the school to purchase needed equipment the town doesn't supply such as computer tables, gym equipment, projectors, and more. "Annie Giberti is like the grandmother we all wish were ours and I am glad to recommend her for this award," Ms. Duebber concluded.

Ms. Giberti said it's something she enjoys doing. "I like to do things to help the young, and anyone else," she said. She received labels from people in New Hampshire, North Carolina and all over. "Word gets around, friends and relatives mail them to me," she added. The Sippican School orders one item a year as a result of collecting labels. "It takes quite a few thousand to get one item. The school children and many other people turn them in. I kept track of them," she said.

minute. "The words that rang the bell were the aspect of serving in the community," wrote Jody Church in nominating Katherine Hartley Church.

"My very first memory was that of jumping in and out of her 1958 Ford, going door to door collecting for the Heart Fund. She would round us all up, give us our instructions, and we fell in line like little soldiers. Did she have to do this? No. My next memory was that of very cold Thanksgivings. All of the other adults sat back filled with turkey, stuffing, and the most delicious Indian Pudding with, of course, vanilla ice cream melting into a wonderful flavor. for a very long walk, relating the most interesting tales of our ancestors. We never wanted the walk to end, no matter how cold it was, no matter how deep the snow was.

"She took us to her cottage in Mattapoisett; she took us to visit the elderly; she took us wherever she went. When we were too old to go, our siblings began their mission with our selfless leader's journey. It was their turn to dig the quahogs for the Rochester Woman's Club supper. It was their turn to go to the Whist parties that she single handedly ran. She was the President of this very Woman's Club, which her mother, my grandmother, and aunt started in 1932. In fact she has been the president many times and serves on committee after committee.

"Wherever there is a cake sale, there she is with her passed down through generations War Cake, and her fabulous penuche. Whenever there is an auction, she is there to give some treasure from her home. Why? Because she knows that the money is for the Scholarship Fund. The Rochester Woman's Club would never be the same without her.

"When our great town celebrated its bicentennial in 1976, she and her husband supplied the Rochester Woman's Club with a large flatbed truck which was dressed to suit the era with pride.

Ms. Church served her country as a World War II Field Nurse, and worked in Acushnet as the town's traveling nurse until her retirement. "Most people know her as "Snookie" but her given name is Katherine Hartley Church. She is the keel of our community and everybody knows it."

Mattapoisett Selectmen's Meeting
May 14, 1996
By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, May 14 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Michele C. Bernier and Executive Secretary Carol Adams. Selectman Paul E. Lambalot was not present for the meeting.

After approving the minutes of the May 7 meeting and signing the weekly treasury warrant, the board met with Bill Matthews and Seth Mendell of the Mattapoisett Historical Society to discuss installing a bulletin board at the Town Wharf. According to Mr. Matthews, he felt it would be a great way to post announcements, events, and information about the town and, in particular, the Historical Museum.

Mr. Matthews also suggested erecting a map, but then learned there is already a map of the town on the side of the Harbormaster's building. "Maybe that would be a good place to put the bulletin board," he suggested. "I think if it's done right, it would be beneficial. I don't think it should be left open, maybe we could get a glass window with a locking door and all postings would have to clear through (the Selectmen's) office."

Mr. Mendell seemed to think that location is the key, and the present location of the map is rather

hidden. "Maybe that area needs to be lit up, too," he suggested.

Chairman DeCosta said he would talk to Harbormaster Steve Mach about a possible location for the bulletin board and would let the Historical Society know at a later date.

The board then unanimously voted to approve the appointment of Kevin P. Black of Oakland Terrace as a Reserve Officer with the Police Department, upon a recommendation from Police Chief James F. Moran. Ms. Adams noted that Chief Moran said Mr. Black has completed the necessary training for the position. Selectmen also unanimously approved waiving a remaining balance of $63.20 on an outstanding ambulance bill due to a family hardship.

Under meetings scheduled throughout the week, Chairman DeCosta noted he will be attending a Southeast Regional Transportation Authority (SRTA) Meeting on Thursday, May 16; and also noted that the Mattapoisett Police Department will hold an Open House on Sunday, May 19 from 12:00 noon to 3:00 pm.

Under incoming correspondence for the week, the board received an invitation from Fire Chief Ronald Scott to attend Firefighter One Night, which will be held on Saturday, July 13 at the Knights of Columbus Hall on Route 6. Cocktails will

Chief Scott also advised the board that the department's new fire apparatus will be shipped from the manufacturer on May 21 and should arrive shortly thereafter. The board was asked to recommend what they'd like to do with Engine 4, which the new truck will replace. Chairman DeCosta said he felt they should put the vehicle out to bid to help recover some of the cost of the new apparatus. Selectman Bernier agreed, and moved that as long as Selectman Lambalot had no objection, they should put Engine 4 out to bid.

County Treasurer John McLellan next submitted an "Adjusted Retirement Assessment for Fiscal 1997," showing that the town's adjusted retirement assessment is $42,000 less than the original estimate.

The board received notice of a public hearing from the Conservation Commission (ConCom) upon a Request for Determination of Applicability for James Radcliffe Jr. to license and existing coastal structure (wood pier and stone revetment) located at 63 Marshmier.

Rebecca H. McCullough sent a copy of a letter she sent to the Planning Board expressing her opposition to the proposed zoning changes on the upcoming Town Meeting warrant. "Your desire to curb the growth in Mattapoisett to preserve the charm and character of the town is admirable," Ms. McCullough, a City Councilor in Waltham and a seasonal Mattapoisett resident, wrote. "However, I believe the zone changes as written could have serious legal ramifications and could harm Mattapoisett longterm."

Diane H. Perry also sent a copy of a letter she submitted to the Conservation Commission (ConCom), regarding the wetland delineation of the so-called Nunes property. Ms. Perry and several other abutters singed the letter, expressing their interest in keeping John Rockwell of the Buzzards Bay Project (BBP) involved in the project. The Board of Selectmen agreed to place the letter on file.

The board received a copy of Change Order #2 from Corporate Environmental Advisors, Inc. (CEA) regarding the replacement of three monitoring well roadboxes with 7-inch diameter boxes with gripper caps at the Police Station. The total cost for this additional work is $270.

• Notification of the next Plymouth County Advisory Board meeting, to be held on Wednesday, May 22 at 6:30 pm at the Cranberry Specialty Hospital;

• Confirmation that the Mattapoisett River Valley Water Supply Protection Advisory Committee will hold its next meeting on Wednesday, June 12 at 7:00 pm in the Mattapoisett Town Hall;

• An invitation from Sgt. Paul Magee for the board to attend and participate in the DARE graduation exercises at Old Hammondtown School on Friday, June 7 at 9:00 am. Selectman Bernier will attend.

Under the Executive Secretary's report, Ms. Adams asked the board if they would be willing to close Town Hall on the Friday following the July 4 holiday (Friday, July 5). Ms. Adams had received several inquiries from Town Hall employees on this matter. Selectman Bernier said she didn't think there would be any need for the Town Hall offices to be open on that day, and, unless Selectman Lambalot objected, she would approve the closing of Town Hall for that day. Chairman DeCosta made it unanimous.

Ms. Adams advised the board that they have been given packets of information from the Bike Path Study Committee, the Open Space Committee, and the Master Plan Committee for their review. She suggested they look over the information provided so that they can consider making appointments to these committees within the next two weeks. Diane Perry asked if they were still seeking applications for the Conservation Commission, to which Ms. Adams said they were.

Ms. Adams also suggested scheduling a Town Meeting planning session with the board, the Finance Committee, the Town Clerk, the Town Moderator, and the Town Accountant on Friday, May 24 at 3:00 pm. The board agreed this would be a good time to prepare for the Town Meeting in June.

Selectman Bernier noted that the town's new Senior Center was officially opened and dedicated on Monday, May 13. She asked any residents or businesses who would like to donate equipment or help with raising funds for a new copy machine and/or related computer and office items, should contact Town Hall at 758-4100.

At 7:30 pm the board presented a Certificate of Appreciation to Tony Nunes in recognition of his recent retirement after serving the town for 22 years as Herring Inspector. Chairman DeCosta said he wished to thank Mr. Nunes for his efforts, and also presented Mr. Nunes with a black and white photo of himself catching fish at the town's Herring Weir.

Mr. Nunes, who will turn 84 this Saturday (May 18), started working on the herring run with his brother, Manuel Nunes, back in 1934.

There being no further matters to come before the board, they adjourned to an adjacent room to celebrate Mr. Nunes' retirement at 7:35 pm.

Chairman Dickerson abstained from voting on the Police Department and Constable positions, and Selectman Schaefer approved this with Selectman Winters via majority vote.

Under incoming correspondence for the week the Board received a letter from the Marion Mother's Club in regard to their Craft Festival to be held on Saturday, May 18th at Island Wharf Park. Ms. Carol Hulton requested an ordinance preventing "the ice cream man" from selling his product in close proximity to the festival as another food vendor will be selling ice cream. Chairman Dickerson said he believed they could not stop a peddler with a state license from selling. Mr. Pickles said the state license allows the peddler on private property with written permission to be there. Selectmen will write a letter to Ms. Hulton explaining this matter. Charles Bradley, shellfish officer, also submitted a letter recommending that Wing's Cove be closed to soft-

WHEN THE PROSPECT ARRIVES

When one of our agents and prospective buyers arrive to inspect your home, here are a few points to remember:

Greet them courteously, then disappear. If you can, leave the house. Don't tag along. Your presence will inhibit free discussion, making it difficult for the agent to ferret out the buyer's likes and dislikes.

Avoid having many people in the house. This can make a buyer feel like an intruder. Children and pets should be housed elsewhere during the showing.

Do not try to interest the buyer in purchasing furnishings before signing the sales contract. This can ruin a transaction. After the sale is made, there will be plenty of time for such discussions.

Do not discuss the terms of the sale, occupancy, or related matters with the buyer. Refer these questions to our agent. The answers given may make or break the sale.

shell clamming until further notice. The Marine Resources Commission voted unanimously. The closure will begin at the creek just east of the Wing's Cove boat ramp and will continue south to the tip of Great Hill. Signs will be posted. The Marine Resources Commission also approved the closure of soft-shell clamming on Little Island, also for propagation purposes. This closure will just be the beach area on the north side of the Island and will be posted. Selectmen unanimously approved this request.

Mr. Robert Zora, Superintendent of the Department of Public Works, also submitted a copy of a letter sent to Mr. Richard Mecke, President of RJM Corporation. "It has been brought to out attention that the last manhole on the sewer line next to Point Road has been placed partially on the Berto property. This will have to be rectified, either by relocating the basin where it was originally staked on the Town's right of way or securing a triangular easement from the Bertos, which would allow the basin to remain on their property," Mr. Zora wrote in the letter. Selectmen asked to be kept abreast of the situation.

At 8:00 pm Selectmen met with the Police Chief Brian Scott, and members of the finance committee to discuss an article on the town meeting warrant to be held on June 4, 1996.

The Article asks to see if the town will vote to amend the vote taken under Article 23 of the Annual Town Meeting held on April 22, 1996 by amending the amount of money transferred from available free cash in the treasury for the reduction of taxes and to transfer from available funds in the treasury (free cash) the sum of $20,000 in the Police

Chief Scott explained because of two serious illnesses and one on going illness, he has exceeded his overtime budget. There was also an unforeseen cost of roughly $4,500 for Enhanced 9-1-1 training that also came out of this line item. About $12,000 is needed for an unforeseen sick leave.

Chief Scott said he needed the additional money to fulfill his contract to get through the rest of the year. Selectmen asked him the status of other line items in his budget. Chief Scott said everything is where it is supposed to be except the overtime budget. Although some line items still had existing money, he said there are still two months to cover

before the FY ends, he explained.

Members of the Finance Committee said the pot is getting smaller and smaller. One of the members, who had worked closely with Chief Scott, was not present at the meeting. Members said they preferred to wait for his input before making a recommendation for the amount. Selectmen, Chief Scott and the Finance Committee will meet on May 28th to discuss the matter further. The Finance Committee will make their recommendation on Town Meeting Floor.

Selectmen also discussed the Taber Hall article which would amend the motion carried under Article 8 of the Annual Town Meeting held on April 24, 1995 by amending the description of the new parcel of land on Cottage Street included with the sale of Taber Hall. Mr. Pickles said the main problem with the previous article was the size (1,900 square feet) and the 35 foot strip used to subdivide in the rear lot. Many people have said they wanted more of a backyard. The article does away with Lot 1 and puts back the 24,000 square feet with an easement for drainage and remediation process.

Mr. Pickles said there were several strong inquires about the property; with two very strong inquiries. One person is considering an owner occupied legal office. If town meeting voters approve the amendment, Taber Hall will go out to bid at a minimum of $175,000. The only restriction will be to keep the character of the exterior of the building.

There being no further business for the Board to discuss, they unanimously voted to adjourn at 9:00 pm.

Rochester Selectmen's Meeting

May 13, 1996

By Amelia Thrall

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, May 13 at 7:00 pm by Chairman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Richard Cutler, and interim secretary Veronica Lafreniere.

After approving the minutes of last week's meeting, the board met with Naida L. Parker, the town clerk. She said that the petition filed to recall Selectman Hughes had the required number of signatures, and since he had not resigned a recall election would have to be held. The Selectmen agreed to hold it as early as possible and get it out of the way of more important business. The Special Town Meeting at which the recall election will take place was scheduled for July 17. Nomination papers for selectman candidates will be available May 15 through May 29.

In a letter to Ms. Parker, Selectman Hughes stated that he did not resign because he had "done nothing wrong." He believes the town should decide who should be selectman, "rather than just the 304 who signed the petition."

At 7:05 pm the board met with Kenneth Daggett. He plans to have a Rochester Clean-Up Day on Saturday, June 22 from 9 am until 2 pm. The board agreed to grant the use of the Town Hall for this purpose.

Correspondence for the week included an amended assessment from the Plymouth County Retirement Association; the board adjusted their figures accordingly.

Sue Kucinski, chief dispatcher for the communications center wrote requesting a leave of absence this summer to further her education. The board granted her wish and appointed Kim Eldridge

The Zoning Board of Appeals wrote about separating the duties of zoning enforcement from those of the building inspector. The board agreed to meet with the ZBA to discuss the matter.

The Rochester Board of Health notified the town clerk that high levels of mercury had been found in fish from Snipatuit Pond. "The advisory recommends that children under 12, pregnant women and nursing mothers refrain from consuming largemouth bass and black crappie to prevent exposure...to mercury. The general public should limit consumption of two meals per month of largemouth bass and black crappie caught at Snipatuit Pond." The board of health will post advisory signs at Snipatuit Pond access areas.

At 7:25 pm, the board met with Laurell J. Farinon and Noreen Hartley to discuss grant applications. The town will receive money to purchase computer hardware and software for the use of the conservation committee so their wetlands maps will be digitized. Ms. Farinon also plans to apply for money to build ball fields.

The board met with Chief Walter Denham and the finance committee to discuss the police budget. The chief mentioned that the department would like to consider hiring someone to spend a couple of hours a week cleaning the station.

Claudette Couto, town accountant, discussed the raise she had requested. She said that other towns' accountants earned salaries that were considerably higher. She also received further

education in accounting last year that was not recognized with an increase of salary. Selectman Hughes said that he would like to approve her raise, but Chairman Hawkes wanted to wait until the job classification was done. Selectman Cutler agreed that the salary appeared low, but he was reluctant to make a change until the board considered it. He did not want to vote for an arbitrary figure. Chairman Hawkes and Selectman Cutler voted not to grant the raise at the present time.

The warrant for the Annual Town Meeting was signed, but later the board withdrew their signatures so that they could discuss it with the chairman of the finance committee and the town moderator. Any necessary changes will be made this week, and the warrant will be signed at next week's meeting. Because the Rochester Women's Club will be hosting a Warrant Night next Monday at 7:30 pm, the Selectmen's meeting will begin at 6:30 pm. The warrant for the Special Town Meeting was signed by the board.

Because an article concerning the New Bedford Women's Center appears on the warrant, the board postponed signing an agreement with them. A transfer request for the Dexter Lane tank site was approved, and a letter of agreement with

PLANNING MAKES A WORLD OF DIFFERENCE...

Rodrigues, Guckin, and Tobojka, P.C. was signed.

Paul Ciaburri told the selectmen that the state had reimbursed the town $12,600 dollars thanks to the efforts of Jeff Eldridge, highway surveyor. He also discussed the generator for the elementary school.

The board voted to create an article for $3,000 to purchase a computer to be used by the new administrative or executive secretary.

The Selectmen were unsure of the necessity of having town counsel present at the upcoming unemployment compensation hearing.

The meeting was adjourned after discussing

LYME DISEASE

My dog gets lots of ticks. Will he get Lyme disease?
Lyme disease is caused by a bacteria and is transmitted by ticks. Unfortunately, Lyme disease is common in this area.

What signs will my dog show?
The most common sign associated with Lyme disease is lameness, often associated with fever. Many dogs show signs, while others are intermittently lame.

Is Lyme disease preventable or treatable?
Yes to both. Vaccines are available for dogs that are fairly effective in preventing Lyme disease. If your dog gets Lyme disease, it can usually be cured by treatment with antibiotics.

ORR High School

• This week proved to be an important one for the **Bulldogs** at **Old Rochester Regional High School,** according to Athletic Director **Joao Rodrigues.**

First the **Boys Tennis** team beat Seekonk, 4 to 1; then went on to beat Dighton-Rehoboth with the same impressive 4 to 1 final tally. As if that weren't enough, the Bulldogs shutout Wareham High School, 5 to 0.

The ORR **Girls Tennis** team also claimed a triple victory by shutting out Dighton-Rehoboth (5 to 0), Wareham (5 to 0), and Bishop Stang (5 to 0).

• In the Massachusetts **State Individuals** tournament, **Sarah Chase** and **Brooke Jacobsen** both won intermediate matches in Division 3; likewise, **Molly Wilkins** and **Mary Bourque** won in advanced doubles play.

• The boys of summer suffered a setback this week as the **ORR Boys Baseball** team lost to New Bedford Vocational Technical High School, 10 to 8.

They also lost to Dighton-Rehoboth, 4 to 2; but managed to turn around and beat Fairhaven High School, 11 to 6. They also ended the week on a high note, beating Case High School, 17 to 7.

• The **Boys Softball** team had a somewhat disappointing week, losing both matches against Dighton-Rehoboth (5 to 1) and Greater New Bedford Vocational Technical High School (14 to 10).

• The **Bulldogs' Boys** and **Girls Track** teams fared well this week, beating their Dighton-Rehoboth counterparts — 89 to 47, and 84 to 51, respectively.

Soccer News ...

• The **Nor'Easter Soccer Club** turned in their best performance of the season in Holliston against the Charles River United, only to be turned back by the goal post suffering their third lost in Massachusetts Premier Soccer play, 2 to 1.

Three spectacular saves by CRU keeper Tim Buzonski and two hit crossbars kept Nor'Easter off the scoreboard in the first fifteen minutes of the match.

Nor'Easter continued to pressure CRU's defense and Buzonski throughout the match, recording 27 shots on goal, while limiting CRU to only 5.

Colon Cabral and **Ruben Almedia** each had Buzonski beat with powerful shots only to watch them careen off the crossbar. **David Costa** beat his marker with some creative footwork and fired a cannon shot that Buzonski just managed to tip wide. Buzonski also turned back goal-bound shots by **Josh Mechler** and Almedia with cat-quick diving saves.

Nor'Easter keeper **David Velozo** also showed signs of brilliance deflecting CRU's Grant Marshall blast out of touch for a corner kick. However, the ensuing corner created a scramble in front of Velozo that Nor'Easter failed to clear. They paid the price for the lax defense when Jeff Morias tapped in the rebound to a 1 to 0 CRU lead in the twenty-fourth minute.

Nor'Easter equalized ten minutes into the second half when Almedia fired a curving liner past Buzonski. Nor'Easter was relentless throughout the

second half, forcing Buzonski to make save after save. His best friend — the goal post — was there to make four additional saves in the half when he was beaten.

"This team came through big time for us today," said Nor'Easter coach **John Sullivan.** "Ninety-five percent of the game was played in (CRU's) third of the field. The kids did everything right but it just wasn't to be today. We played without the services of four regular starters due to injuries today, but the reserves were up to the task and kept the level and speed of play high."

The back-breaker came with four minutes remaining in the game when a missed defensive assignment left CRU's Grant Marshall along fifteen yards out to head in the winner off a corner kick.

Sullivan also noted the outstanding performances of mid-fielder **Kurt Sylvia** and the defensive play of **James Smith, Pat Winn,** and **Kyle**

Movie Preview, Part Two

1996 Summer Season Hype

By Rob Gonsalves

[Editor's Note: This is the second part of three installments in which our able movie critic offers a preview — and either a recommendation or condemnation — for each of the summer's movie blockbusters. Each movie is examined three ways: ***25 words or less****, meaning a synopsis of the film;* ***BIS factor****, or Butts in Seats — whether the movie will sink or swim at the box office; and* ***Will I be in line?****, which is self-explanatory. The article will conclude in next week's edition.]*

• ***Dragonheart***

25 words or less: Dennis Quaid versus a fire-breather with the voice of Sean Connery. **BIS factor:** Anyone remember *Dragonslayer* going down in flames fifteen summers ago? Quaid has yet to open a movie. **Will I be in line?** The dragon effects are supposed to be tasty. And I loved *Dragonslayer* the first time.

• ***Eraser***

25 words or less: Arnie. Guns. Explosions. Based on the novel by Jane Austen. **BIS factor:** Schwarzenegger's *Junior* was still born. His fans prefer him to blow up stuff real good. Could swing either way: another *True Lies* or another *Last Action Hero*. Production and budget rumored to be out of control. Trailer looks okay, but who hasn't gotten sick of it by now? **Will I be in line?** The director is Charles Russell *(The Mask)*, who was just plain Chuck when he remade *The Blob*. I like the guy's work, so I hope this doesn't disappoint me.

• ***Escape from L.A.***

25 words or less: Kurt Russell returns as Snake Plissken. John Carpenter returns as the guy who knows where to put the camera. **BIS factor:** Russell has been riding a wave lately: *Tombstone*, followed by *Stargate*, followed by *Executive Decision*. The original *Escape from New York* is a cult favorite on the level of *The Terminator*, and *T2's* investors had nothing to cry about. This looks like the hit Carpenter has needed for, oh, twelve years. **Will I be in line?** First in line. Let's hope Carpenter keeps it as lean and mean as the original, despite the additional $43 million.

• ***The Fan***

25 words or less: Unhinged sports fan Robert DeNiro stalks baseball star Wesley Snipes. **BIS factor:** DeNiro back in the wacko saddle; Snipes and sports always mix. Another hit for director Tony Scott. **Will I be in line?** Wasn't this already done

Michael J. Fox finds himself up against the real thing. From Peter Jackson, the genius behind *Dead Alive, Heavenly Creatures,* and *Meet the Feebles.* **BIS factor:** Fox hasn't been a draw since Marty McFly. Universal needs to give it a shrewd Miramax-style campaign, selling it as this year's *Beetlejuice,* or *Casper* for the 15 to 25 demographic. **Will I be in line?** Peter Jackson is God. And Jeffrey Combs (Herbert West in *Re-Animator)* is in it. The top must-see movie for me this summer.

• ***The Ghost and the Darkness***

25 words or less: Michael Douglas and Val Kilmer hunt lions. **BIS factor:** Can Douglas open a movie without controversy? Can Kilmer drive a vehicle other than the Batmobile? **Will I be in line?** Could be interesting, given that the director is Stephen Hopkins, though I hope the movie is closer to his *Judgment Night* than to his *Blown Away.* The trailer ("We have no real footage, so we're just going to show our guys aiming guns in the weeds") annoys me; come up with a better one, Paramount.

• ***Heaven's Prisoners***

25 words or less: Alec Baldwin, detective; Mary Stuart Masterson, cancer/addict; probably some good guys and dead guys. **BIS factor:** Director Phil Joanou better hope for a hit — he can't flash his U2 backstage pass forever. This thriller was announced on 1995's fall schedule ... and on 1994's fall schedule. Bad sign, although it's more a case of bad luck; New Line is its third distributor (after the defunct Orion and Savoy). **Will I be in line?** Absence has not made the heart grow fonder. Here's what I answered in my fall '95 preview: "Not unless

• ***The Hunchback of Notre Dame***

25 words or less: SWM, great personality, seeks compassionate toon who looks like Princess Jasmine and sounds like Demi Moore. Must enjoy loud bells and piggyback rides. **BIS factor:** As if a Disney cartoon is ever a gamble. I notice a lot of the print ads are pushing Esmeralda, not Quasimodo — even though the movie will obviously be another PC Disney fable about tolerance and looking beyond appearances. Disney's hypocrisy gets less funny every year. **Will I be in line?** I wasn't very

Letters to the Editor

To The Editor:

The principal and staff of Sippican School, Marion School Committee, and the Volunteers at Sippican School (VASE) invite all interested community members, present and former students, parents of students, colleagues, friends and family of Joseph Burke, Jr. to a celebration in honor of his retirement to be held on Monday, June 17, 1996 from 4:00 pm until 7:00 pm. Rain date will be Tuesday, June 18th from 4:00 pm until 7:00 pm. The festivities will take place on the lawn in front of the school auditorium. There will be entertainment, a BYO picnic dinner and a chance to greet Mr. Burke and thank him for his 41 years of teaching--40 of those at Sippican School! At approximately 6:00 pm, there will be a short presentation in the auditorium, followed by dessert and punch provided by VASE. Because we wish to reach as many of Joe Burke's friends as possible, this event is not a surprise.

To The Editor:

It is now more important than ever that a citizens initiative to increase lot sizes and wetlands protection in Mattapoisett get the full and enthusiastic backing of town residents since some town officials have denied their support. Last week's vote by the Planning Board against the articles submitted by petition for the annual town meeting was unanimous in some of the cases and nearly so in the others.

The Planning Board indicated it does not want to move forward until a growth management plan (or master plan) is funded and completed.

What have they been waiting for? Who knows how long that will take? Why postpone the inevitable? Meanwhile, Mattapoisett has fallen far behind nearly every other community around Buzzards Bay in updating zoning laws to increase minimum lot sizes and afford more wetlands protection. There is no good reason the changes citizens are asking for can't be adopted in the interim. After all, the thinking behind all of them is to decrease housing density , provide further protection for the town's water supply and to save taxpayers, home buyers and landowners the sometimes enormous costs associated with wetlands abuse.

We do agree with the Planning Board on the necessity for having a growth management study funded and a report presented to the town so that additional action may be taken in the future to keep Mattapoisett headed in the right direction.

It is Imperative that those who support the citizens initiative turn out for the town meeting vote where two thirds will be needed for passage. And those who have any interest at all in how Mattapoisett is going to grow, at the least expenseto taxpayers, should make an effort to be present too.

Voters will easily see that both environmental and economic issues are involved in these articles.

Supporting the zoning changes will be like buying insurance without the payment of regular premiums. But waiting to take the same action one or more years from now will only add to the burdens taxpayers face. A lot can happen in a year--or in just four months as we saw with the Nunes property at Brandt Point.

Brad and Priscilla Hathaway
Mattapoisett

To The Editor:

This is the first of three articles whose purpose is to inform the voters of Mattapoisett about the changes being proposed to the Zoning By-law plus presenting some background information about the areas affected. The last major review of land use in Mattapoisett was completed in 1989 by Burke Ketcham and Associates. At that time one of the major recommendations was that steps should be taken to protect the Mattapoisett River Bed in which the aquifer runs on which both Mattapoisett and Fairhaven depend for their water supplies. In 1988 the Mattapoisett River Protection Plan called for "Action for permanent preservation of land critical for recharge." The aquifer depends mainly on surface flow for recharge and little has been done in the intervening years to implement the recommendations.

To address the need for protecting the aquifer it is proposed that the Zoning By-Law be changed by increasing the lot size in the present Rural Residence 40 District (RR40) from 40,000 square feet to 80,000 square feet. The RR40 district lies north of Route I-195 except for a strip 1,200 feet wide either side of North Street which is R30 and mostly built out. Most of the Mattapoisett River Aquifer Protection District lies within this RR40 district.

These are two major considerations in protecting the aquifer. Since the aquifer depends on surface run-off for recharge and since the porous soils are located mostly to the west of North Street, the density with which the area is built up affects the amount of water which percolates through the soil and is available as supply for the entire town. In addition the chance of an accident occurring in the

aquifer area similar to what happened with the gasoline tank at the Mattapoisett Police Station is directly proportional to the number of residential units in the area. No one would purposely contaminate the water supply, but accidents happen and this aquifer is the only source for all of the town water. Cutting the number of houses that can be built in the area reduces the chance of accidental contamination of the water supply. In many watersheds of this type no building at all is allowed.

Finally, the present RR40 contains several pieces of so called Chapter Land which are currently being held for agricultural, forest, or recreational use (as was the Nunes property off Brandt Island Road). The very presence of these parcels today helps keep the rural atmosphere of the town. Now is the time to ensure that if and when these properties are converted to residential use, lot sizes will be large enough to preserve the feeling of open space and to preserve the values of the surrounding properties. Neighboring towns have already taken action to increase lot sizes in similar districts.

The proposed changes are important to the future of Mattapoisett and the Mattapoisett Citizens Initiative urges all residents to attend the Annual Town Meeting scheduled on May 28th so their voices, whether for or against, will be heard on this and on other matters to come before the meeting.

Movie Review

Though weak on plot, *Twister* is great summer fare

By Rob Gonsalves

• *Twister*. Starring Helen Hunt and Bill Paxton. Directed by Jan De Bont. Running time: 117 minutes. MPAA rating: PG-13. At Cinema 140 in New Bedford (999-6577).

In *Twister*, the capricious tornadoes growl ominously as they approach, and they pluck up huge trucks and tear houses apart with such casual, horrifying force that the audience gasps and laughs at the same time. *Twister* promises — and delivers — pure apocalyptic power, unlike anything put on film before. These seething black mushrooms in the blue-grey Oklahoma sky have a scary, Wagnerian grandeur. I was reminded of the *King Lear* line: "As flies to wanton boys are we to the gods."

Is *Twister* a great movie? No. The script, credited to Michael Crichton and his wife Anne-Marie Martin, is basically either "Look, a tornado! Let's chase it!" or "Look, a tornado! Let's take cover!" But *Twister* is a great *summer* movie — a warm-weather no-brainer addressing the two classic action-film themes, force and momentum.

Those themes are the bread and butter of director Jan De Bont, a former cinematographer *(Die Hard)* who made his debut with the pedal-to-the-metal *Speed*. De Bont has a genius for the aesthetics of motion, the comedy of relentlessness. *Twister* may be the most beautiful action movie you'll see this summer: The kinetic shots, composed by Jack N. Green (Clint Eastwood's regular cinematographer) and edited by Michael Kahn (Steven Spielberg's usual cutter), flow into each other like the panels of a great comic book — say, Jack Kirby circa 1966.

The plot? There isn't one, actually. The Crichtons have obviously seen *The Abyss*, with its estranged couple under stress. Here, the couple is Helen Hunt and Bill Paxton, dedicated stormchasers who want to send special sensors up into a tornado to get data that may improve tornado warnings. Meanwhile, a rival team of stormchasers (led by arrogant Cary Elwes) hope to beat Helen and Bill at their own game.

That's it. But that's about all De Bont needs. *Twister* isn't the brilliant machine that *Speed* was, but it often packs comparable wallop. When the heroes are driving towards a tornado and a terrified cow spins through the air, I laughed at first, but the surrealism of that image haunted me. The cow is only a warm-up for such unguided missiles as tractors, windmills, fuel trucks, and finally an entire house. What happens with the house is so perfect, so summer-movie absurd, that I wouldn't dream of giving it away.

Hunt and Paxton make an appealing pair, and they try to do more than "Look, a tornado!" Hunt has a fine, lyrical moment when she stands her ground and gazes into a massive twister, her hair billowing; she's like a storybook goddess. But really you don't go to see the *people* in *Twister* any more than you went to see the people in *Jurassic Park* or *Speed*. You go for three things: pursuit, retreat, annihilation. In that order.

Twister may be no more than what Pauline Kael called "jolts for jocks," but it's among the most ravishing dumb movies ever made.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Your luck changes for the better, although there's still a problem to resolve at home. Give in to one of your friend's demands.

Taurus (April 20-May 20). Ask for what you want. You'll worry more about money with the sun now in Gemini, but that's OK.

Gemini (May 21-June 21). It's your turn at bat! The sun goes into your sign, making you practically invincible. Do be careful with your finances though.

Cancer (June 22-July 22). You'll want a little more private time. Confer with your sweetheart. Clear up a misunderstanding before it gets worse.

Leo (July 23-Aug. 22). You'll be lucky with group activities and team sports. Finish up overdue assignments. You'll have more time to play with your friends, but don't ditch work.

Virgo (Aug. 23-Sept. 22). Your workload usually increases when the sun's in Gemini, because your supervisors get more active. They'll think of all kinds of new things to keep you busy.

Libra (Sept. 23-Oct. 23). Lofty thinking is easier for you when the sun's in Gemini. You can find just the right words. That will help you argue a point with a supervisor.

Scorpio (Oct. 24-Nov. 21). Start applying for whatever you want. Pick up the paperwork. Also have a meaningful conversation with a friend.

Sagittarius (Nov. 22-Dec. 21). You may decide to take on a partner. Pick one who gives you lots of autonomy. But first, handle finances.

Capricorn (Dec. 22-Jan. 19). You'll have to work a little harder. Sell stuff to bring more money into your account.

Aquarius (Jan. 20-Feb. 18). You're lucky with romance and games. You may not get to play much though — too much work to do.

Pisces (Feb. 19-March 20). The sun in Gemini puts the spotlight on your home life. That should be going very well, with true love favored.

If You're Having a Birthday This Week: Learn to manage money this year, and you'll never have to worry about it again.

Math team which will compete in the ATML (American Regions Mathematics Leagues) competition held simultaneously at Penn State University, the University of Iowa and the University of Nevada, Las Vegas, during the beginning of June. Teams from all over the country gather to compete in this prestigious event. Former qualifiers from ORR include: Lauri Lizotte, Jim Lima, Robert Reid and Brett Fricke.

Dave, a member of the ORR championship Math team, was a strong performer for ORR in the Southeastern Massachusetts Conference Mathematics League where he finished as the high scorer in the entire league and was selected for the League All-Star Team for a third consecutive year, and as the League's MVP this year. He placed number ten in the state on the Math Olympiad this year and qualified, for the consecutive third year, for the American Invitational Mathematics Examination sponsored by the Mathematical Association of America and the National Council of Teachers of Mathematics. Dave was co-captain of this year's Math and Chess Teams and has recently received notice of acceptance to the California Institute of Technology in Pasadena.

James Egan, principal of Old Rochester Regional High School, John Mccarthy, teacher of Social Studies, and Richard Ellis, teacher of Spanish, attended an Evaluation Seminar on April 29th, at East Bridgewater High School, Bridgewater. Sponsored by the Commission on Public Secondary Schools of New England Association of Schools and Colleges, the program was offered for principals and self study steering committee members of schools scheduled to be accredited this year. The seminar provided information to help schools finalize their plans for the evaluation visit and to learn more about the evaluation report and its consideration by the Commission on Public Secondary Schools.

Tabor Academy

Tabor Academy has announced the recipient of the William F.G. Dawson '45 Memorial Prize. This award was established in memory of William Dawson, a loyal alumnus, dedicated trustee, and caring dorm parent and was to be awarded annually to a freshman boy who experiences significant personal growth during his first year at Tabor Academy. The most recent recipient of this prestigious award was William S. Bender, son of Dr. and Mrs. John Bender of Mattapoisett.

State Concert on March 17, 1996. Both students auditioned for the group and were selected for the second year in a row. It is a very competitive audition and a marvelous experience to rehearse and perform with the best high school musicians in the state and both Jeremiah and Reggie should be commended for their accomplishments.

Springfest is a music festival that will take place on Sunday, May 19th beginning at noon on the outdoor stage at the Fireman Performing Arts Center. The Tabor Academy Jazz Band will perform along with the other student bands and the afternoon will be highlighted by the band--"Acoustic Junction."

Monday, May 20th at 6:30 pm in the Fireman Lobby, Beth Miller, '96, Jeremiah Goldovitz, '97 and Cara Zipoli' 97 will be performing in a Vocal Recital. This will feature selections from a wide range of composers and musical styles. All three singers study voice with Mrs. Kathy Ulrich and the accompanist for the recital will be Mr. Matt Richard.

Executive Board Meeting

The Executive Board of the Wareham Garden Club will meet on Thursday, June 6 at the Wareham Free Library at 10:00 am. A reminder to all members that annual dues should be paid by the annual meeting.

Rochester Board Of Health

The Rochester Board of Health will be posting Snipatuit Pond Access area with public health advisory signs regarding levels of mercury detected in largemouth bass and black crappie.

The advisory recommends that children under 12, pregnant women, and nursing mothers refrain from consuming largemouth bass and black crappie to prevent exposure to developing fetuses, nursing infants, and young children to mercury.

The general public should limit consumption of two meals per month of largemouth bass and black crappie caught in Snipatuit Pond. According to Elaine Kreuger, MA Public Health, mercury levels in fish were tested in Massachusetts due to the rise in levels in the northeast area of the country. All questions should be directed to Ms. Krueger or Phillip Trowbridge, MA Public Health, 250 Washington Street, Boston, MA 02108.
